NEWSLETTER #151 May 2026 See ABOUT WIKISTIM

EDITORIAL

Catching Up: May 2026 Issue (April Data)

Continuing WIKISTIM's retroactive catch-up series (see issue #150 for background), this edition covers the 344 citations WIKISTIM identified in April 2026.

— Manuel Roulaud, WIKISTIM Managing Editor

WIKISTIM Now Has ~1,556 Subscribers and Lists 17,146 Citations!

Thank you for telling your colleagues about our free resource.

Citations Added From Search on 2026-04-01 to 2026-04-30 (BE SURE TO CLICK "VIEW ENTIRE MESSAGE" IF THIS EMAIL IS CLIPPED)

Please note: 1) If full-text links from publishers' sites lead to an immediate download instead of opening a new window, our Free Full Text links will take you to the publisher's page leading to the PDF. We also do this in cases where the URL has a “watermark” or is ridiculously long. 2) We list correction citations if the error was substantial; otherwise, we simply update the WIKISTIM database.
